

NEW INVESTMENT POLICY

(With effect from 27 January 2022)

Investment Objective

The Company aims to maximise total return to shareholders over the long term from a portfolio made up predominantly of quoted smaller companies in the economies of Asia excluding Japan.

Investment Policy

The Company may invest in a diversified portfolio of securities (including equity shares, preference shares, convertible securities, warrants and other equity-related securities) predominantly issued by quoted smaller companies spread across a range of industries and economies in the Investment Region. The Investment Region includes Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Korea, Laos, Malaysia, Myanmar, Pakistan, The Philippines, Singapore, Sri Lanka, Taiwan, Thailand and Vietnam, together with such other economies in Asia as approved by the Board.

The Company may invest up to 10% of its net assets in collective investment schemes, and up to 10% of its net assets in unquoted companies, calculated at the time of investment.

The Company may also invest in companies traded on stock markets outside the Investment Region provided over 75% of each company's consolidated revenue, operating income or pre-tax profit is earned from trading in the Investment Region or the company holds more than 75% of their consolidated net assets in the Investment Region.

When the Board considers it in shareholders' interests, the Company reserves the right to participate in rights issues by an investee company.

Risk Diversification

The Company will invest no more than 15% of its gross assets in any single holding including listed investment companies at the time of investment.

Gearing

The Board is responsible for determining the gearing strategy for the Company. Gearing is used selectively to leverage the Company's portfolio in order to enhance returns where and to the extent this is considered appropriate to do so. Gearing is subject to a maximum gearing level of 25% of NAV at the time of draw down.
